

ANNEX 3

Heavy metal concentrations in sediment and mussel samples collected in 2000

Figures A-3.1-16.

List of Figures

Figure A-3.3. Heavy metal content in sediment of the Danubian tributaries	3
Figure A-3.4. Heavy metal content in sediment of the Danubian tributaries	3
Figure A-3.5. Heavy metal content of <i>Anodonta anatina</i> in Danube	4
Figure A-3.6. Heavy metal content of <i>Anodonta anatina</i> in Danube	4
Figure A-3.7. Heavy metal content of <i>Anodonta anatina</i> collected in the Danubian tributaries.....	5
Figure A-3.9. Heavy metal content of <i>Unio pictorum</i> tissue along the Danube	6
Figure A-3.10. Heavy metal content of <i>Unio pictorum</i> tissue along the Danube	6
Figure A-3.11. Heavy metal content of <i>Unio pictorum</i> tissue collected in the Danubian tributaries.....	7
Figure A-3.12. Heavy metal content of <i>Unio pictorum</i> tissue collected in the Danubian tributaries.....	7
Figure A-3.13. Heavy metal content in <i>Unio tumidus</i> tissue in the Danube	8
Figure A-3.14. Heavy metal content of <i>Unio tumidus</i> tissue in the Danube	8
Figure A-3.15. Heavy metal content of <i>Unio tumidus</i> tissue collected in the Danubian tributaries.....	9
Figure A-3.16. Heavy metal content of <i>U.tumidus</i> tissue collected in the tributaries.....	9

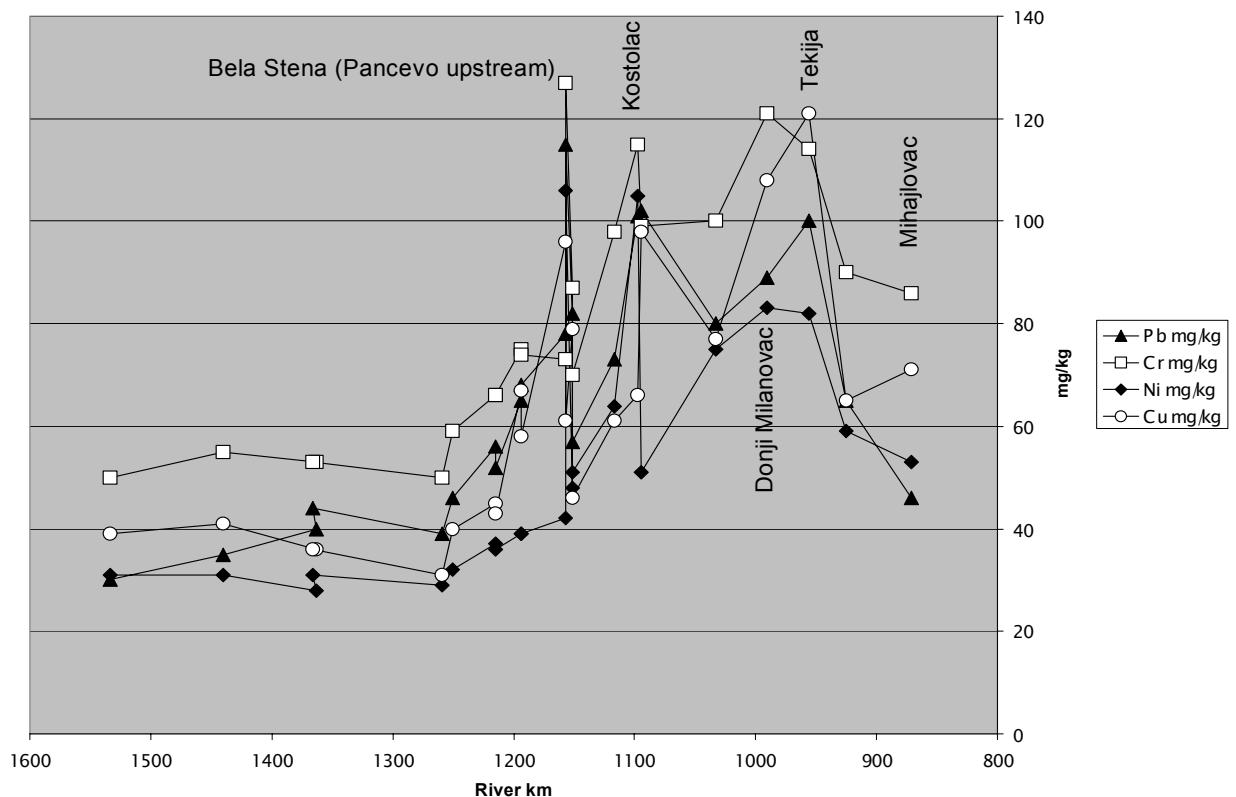

Figure A-3.1. Heavy metal content of the sediment samples collected in the Danube

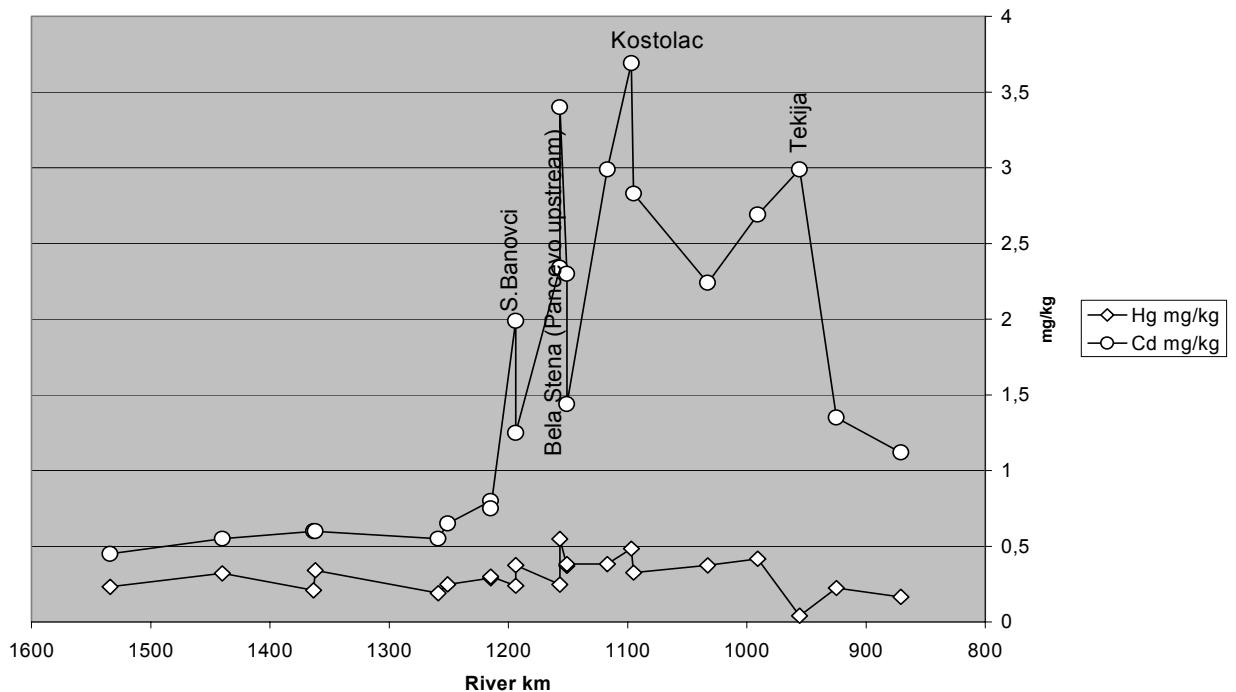

Figure A-3.2. Heavy metal content of sediment samples collected in the Danube

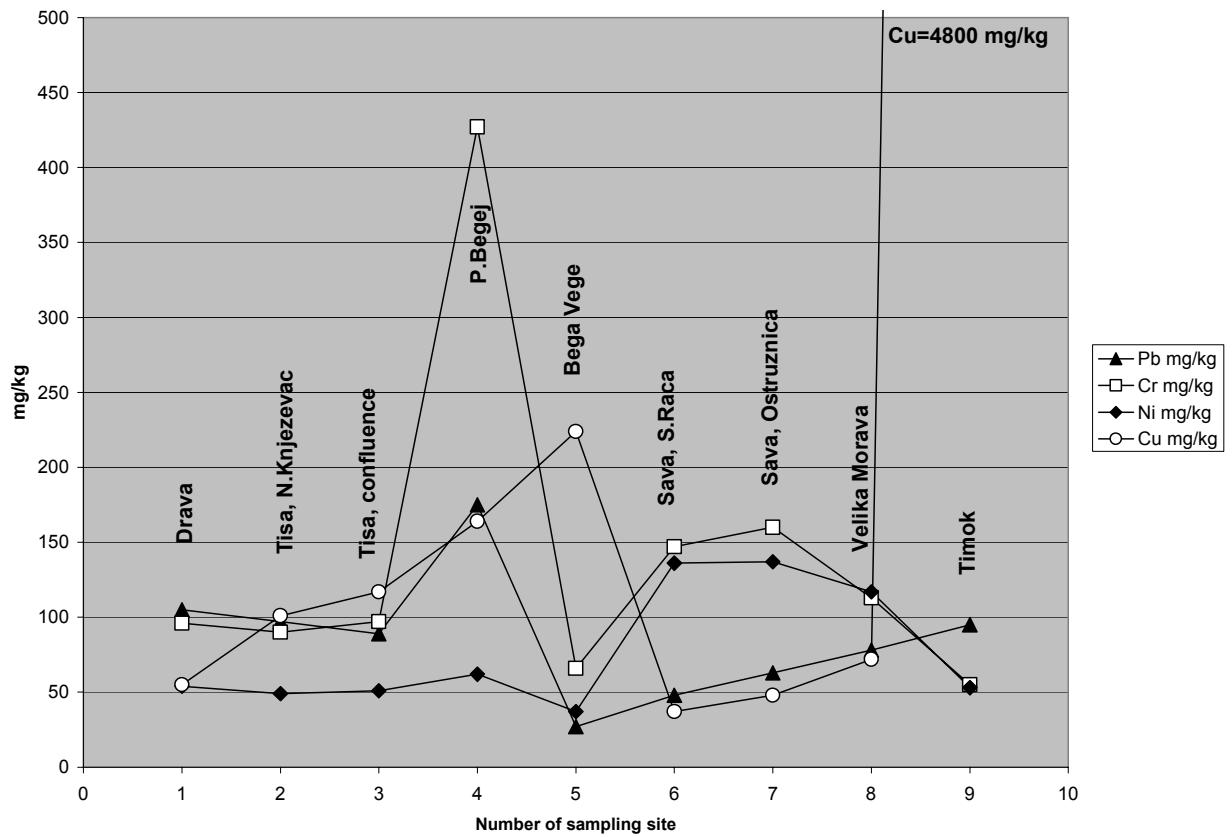

Figure A-3.3. Heavy metal content in sediment of the Danubian tributaries

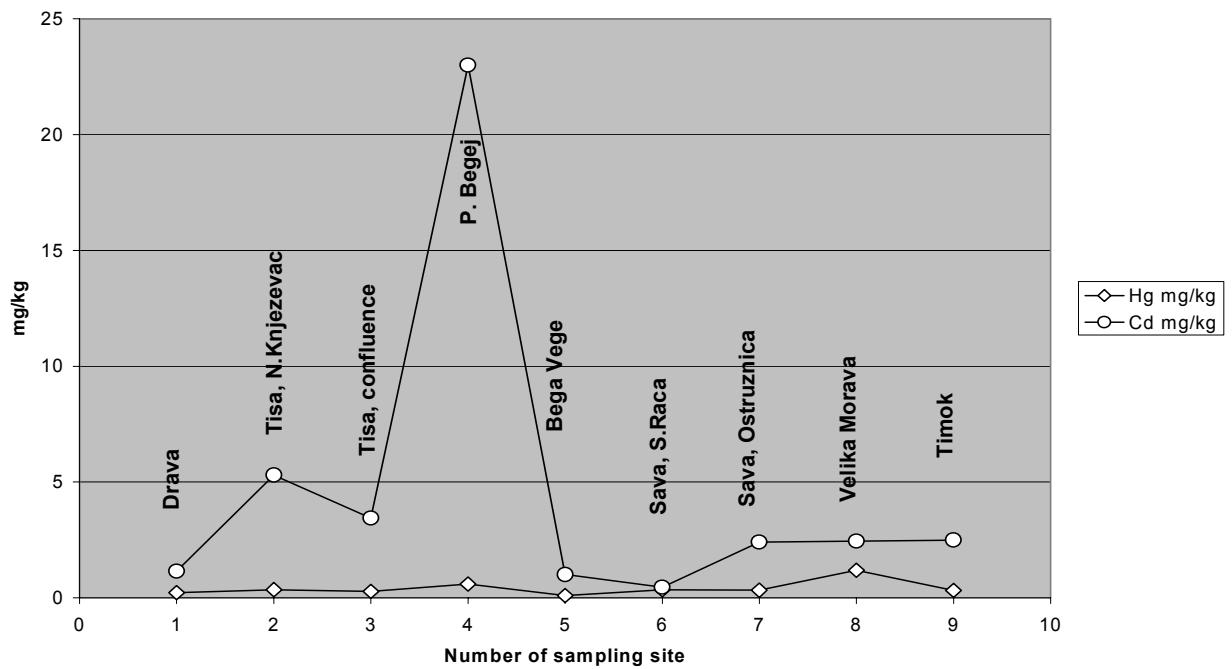

Figure A-3.4. Heavy metal content in sediment of the Danubian tributaries

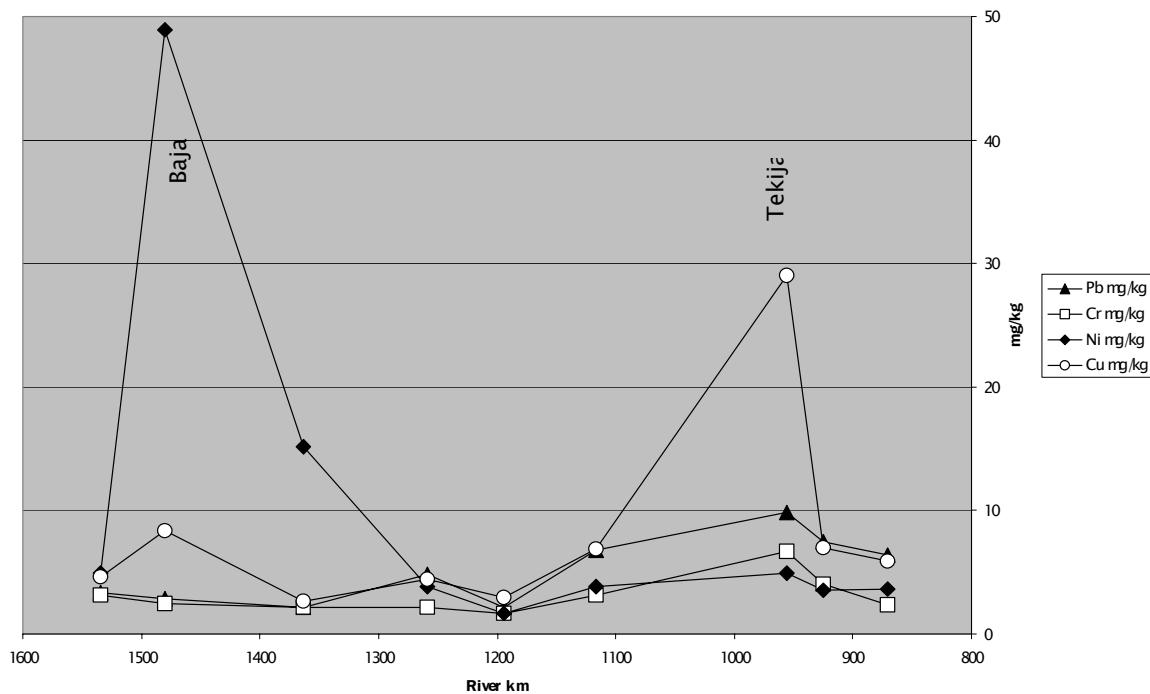

Figure A-3.5. Heavy metal content of *Anodonta anatina* in Danube

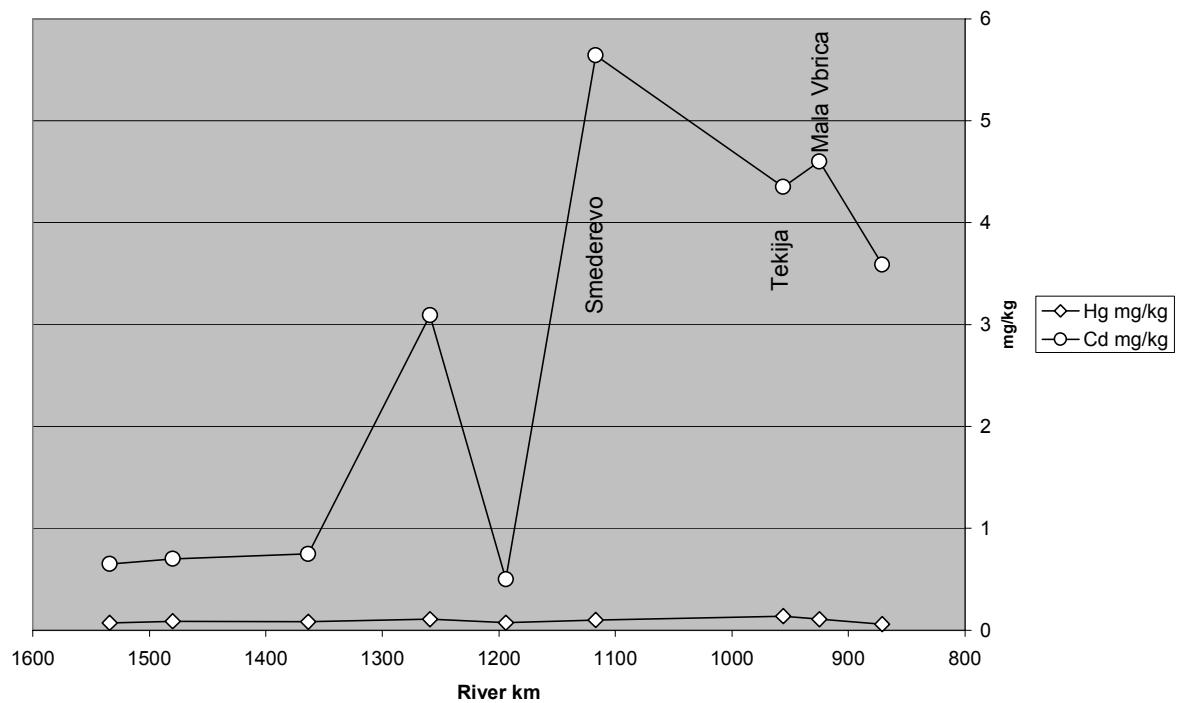

Figure A-3.6. Heavy metal content of *Anodonta anatina* in Danube

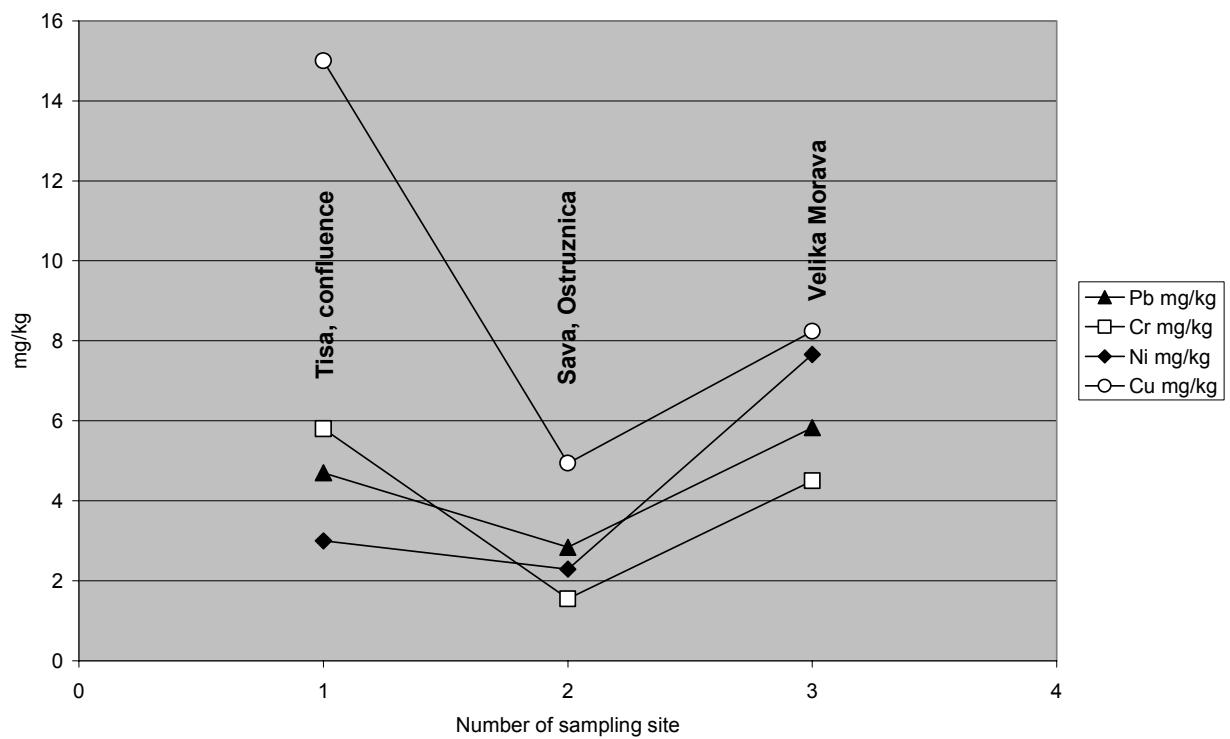

Figure A-3.7. Heavy metal content of *Anodonta anatina* collected in the Danubian tributaries

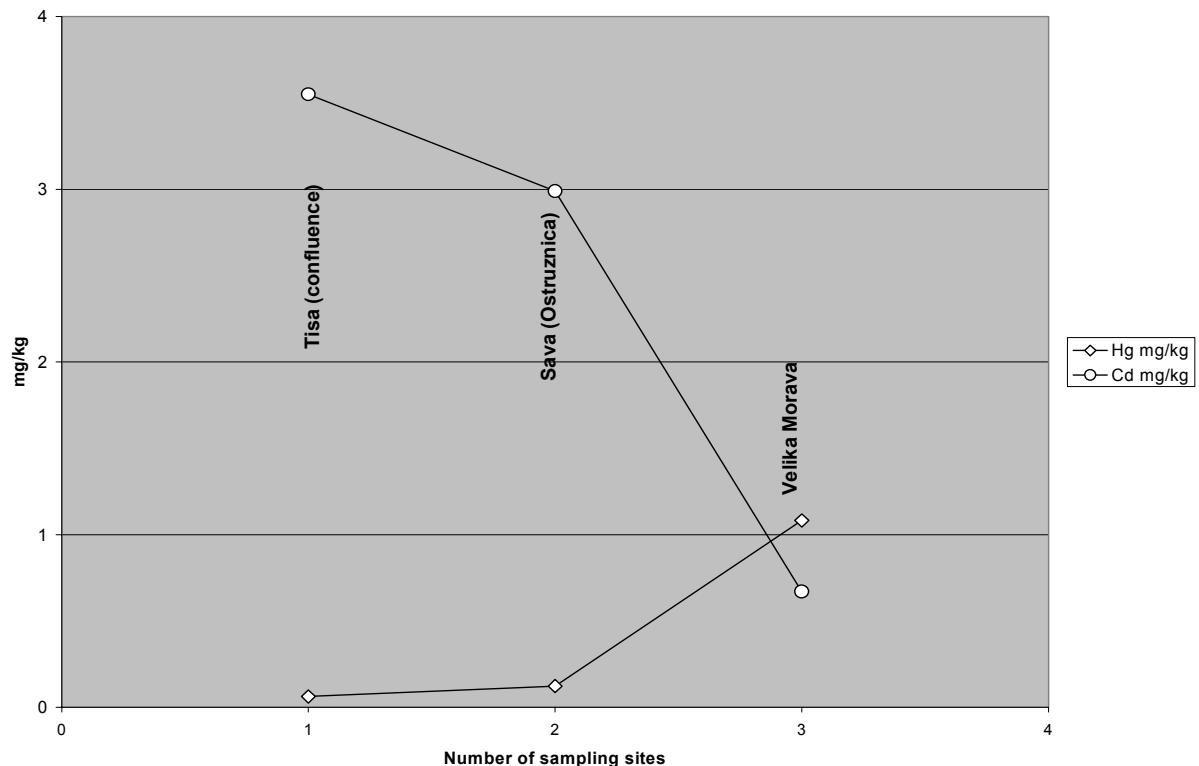

Figure A-3.8. Heavy metal content of *Anodonta anatina* collected in the Danubian tributaries

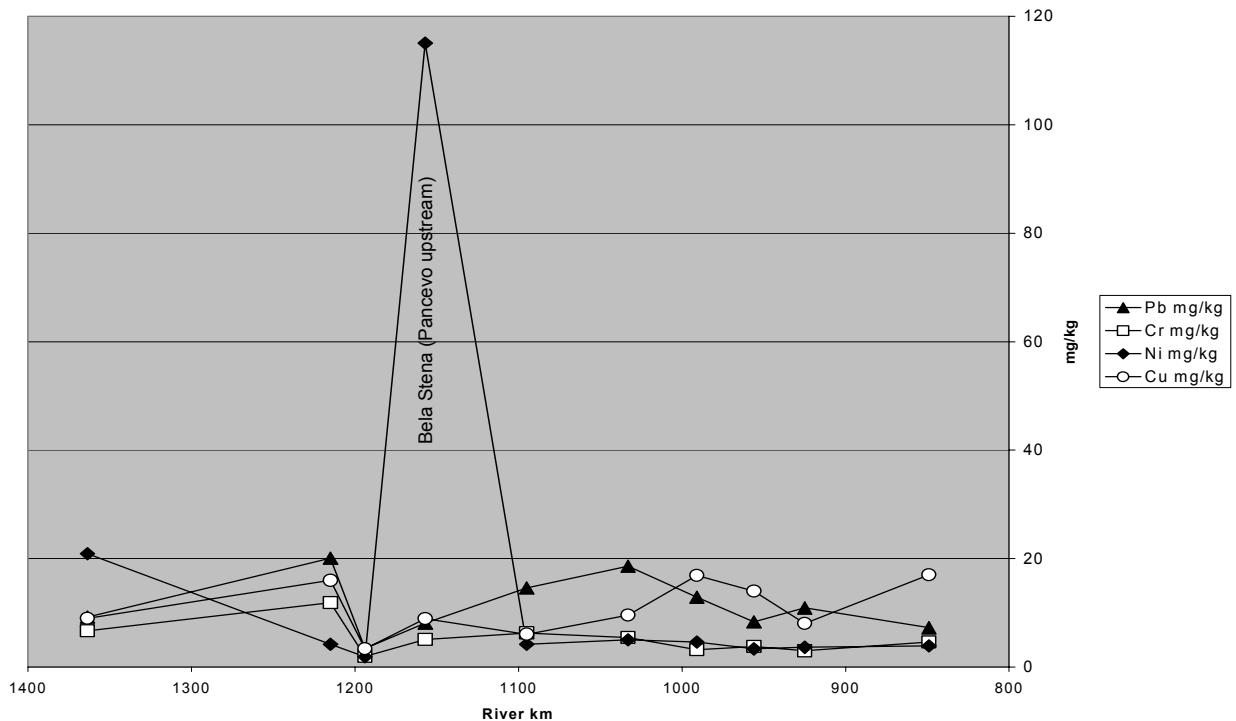

Figure A-3.9. Heavy metal content of *Unio pictorum* tissue along the Danube

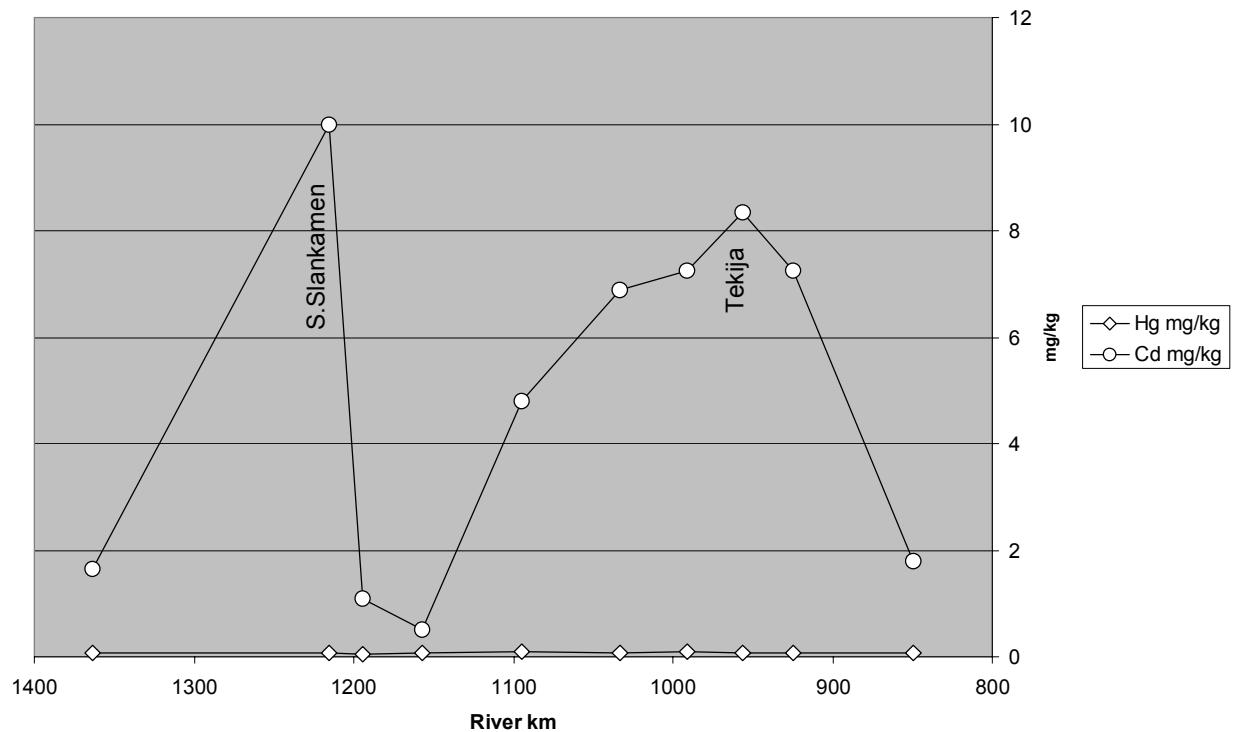

Figure A-3.10. Heavy metal content of *Unio pictorum* tissue along the Danube

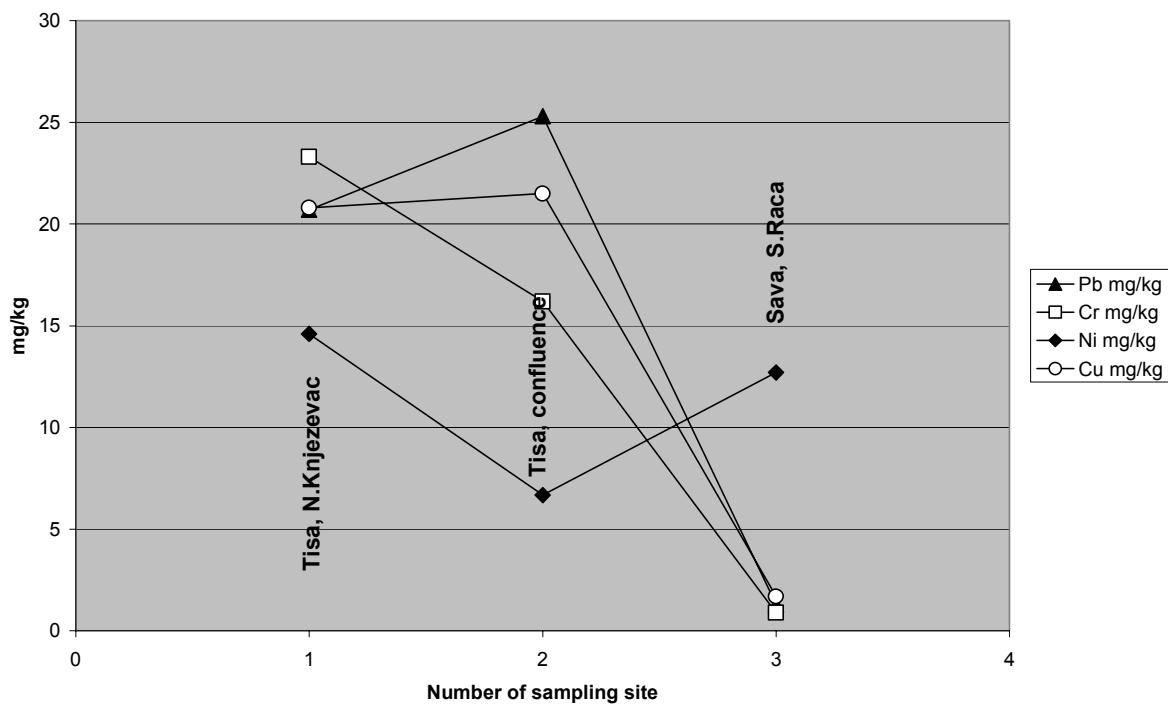

Figure A-3.11. Heavy metal content of *Unio pictorum* tissue collected in the Danubian tributaries

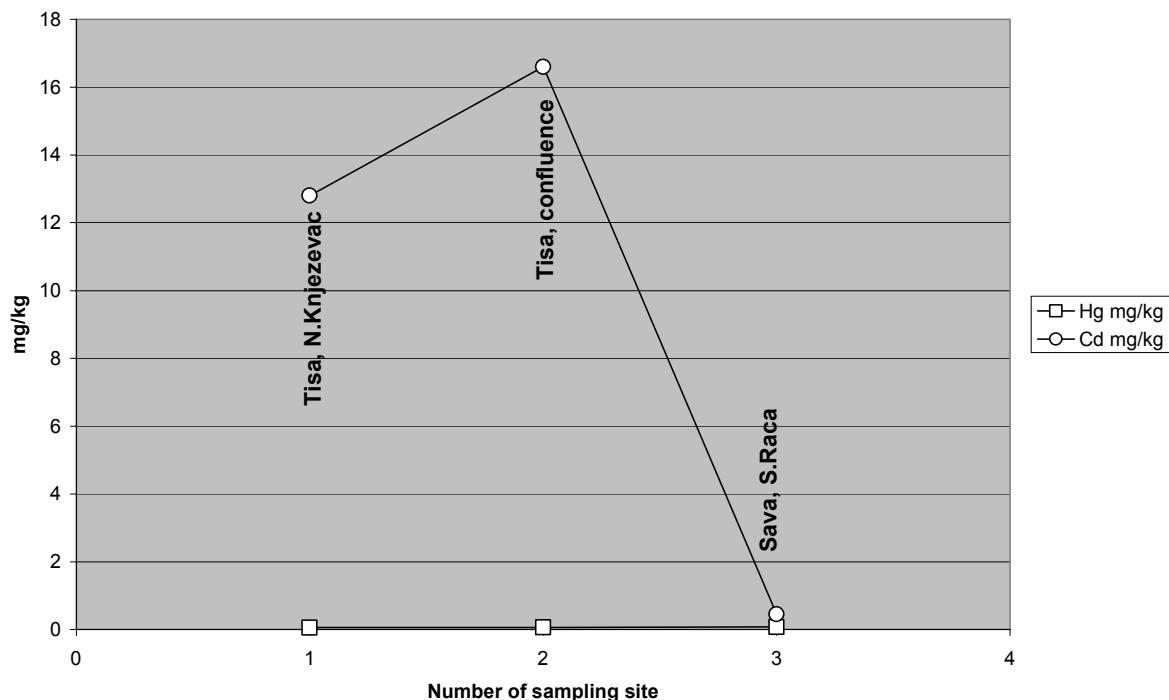

Figure A-3.12. Heavy metal content of *Unio pictorum* tissue collected in the Danubian tributaries

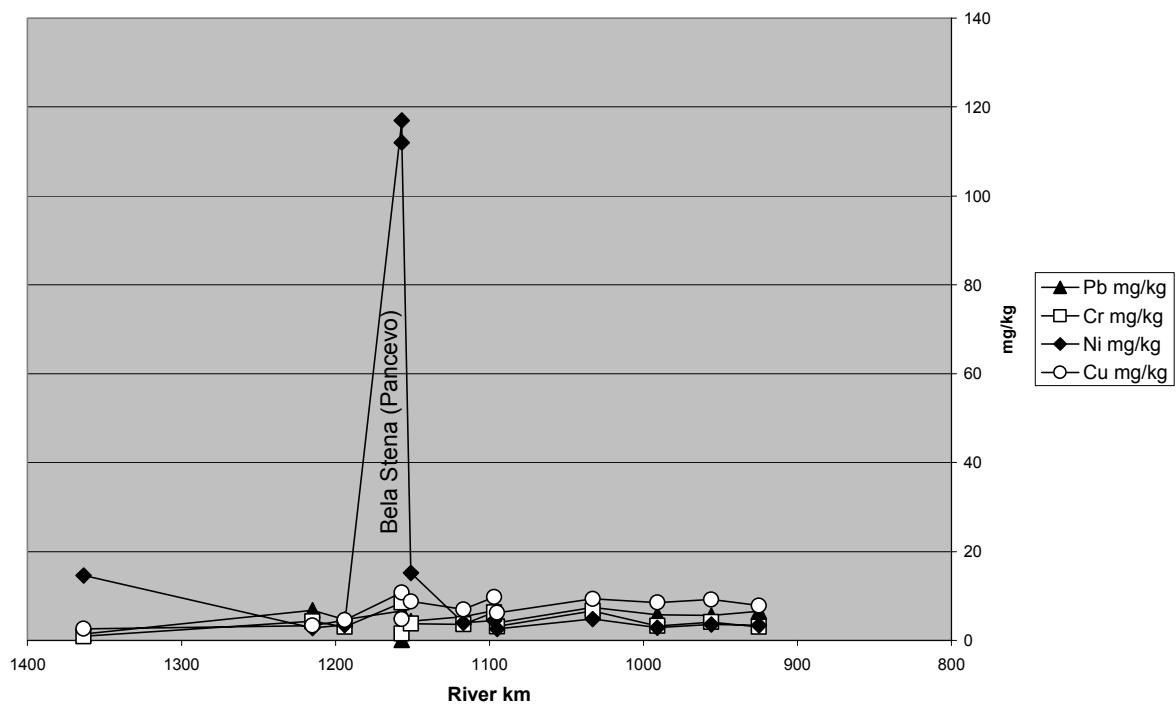

Figure A-3.13. Heavy metal content in *Unio tumidus* tissue in the Danube

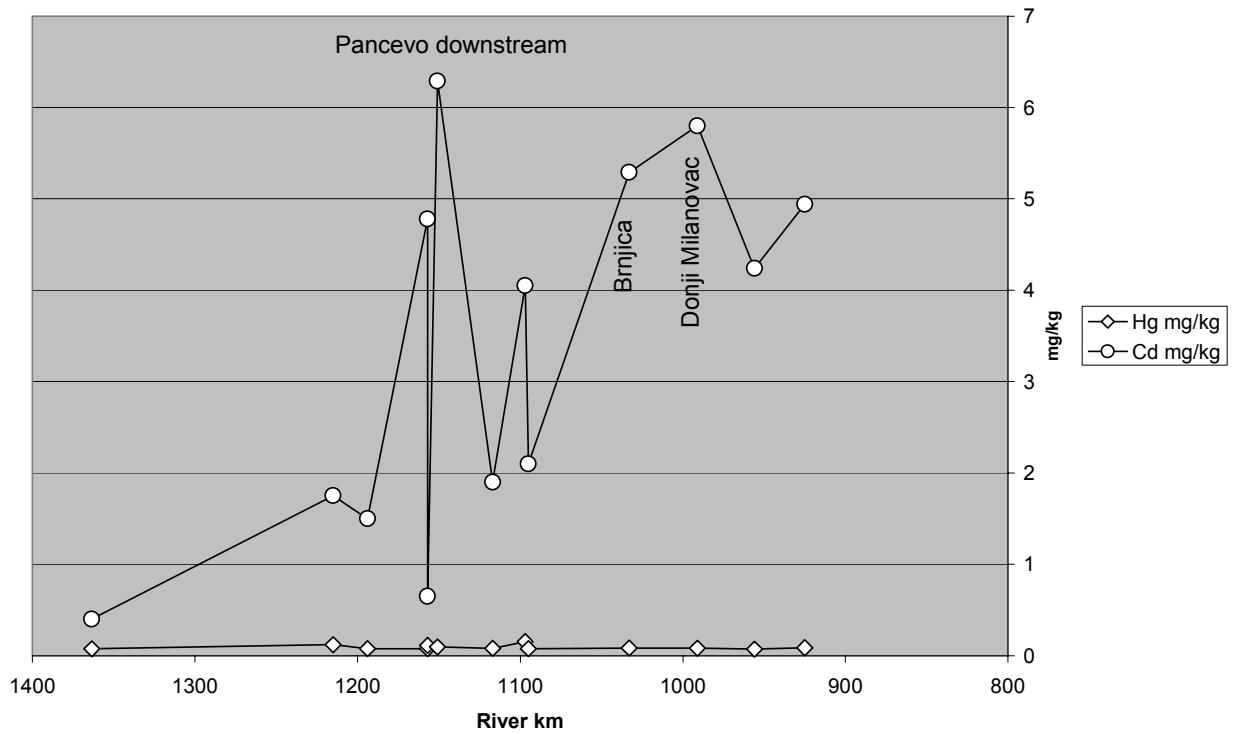

Figure A-3.14. Heavy metal content of *Unio tumidus* tissue in the Danube

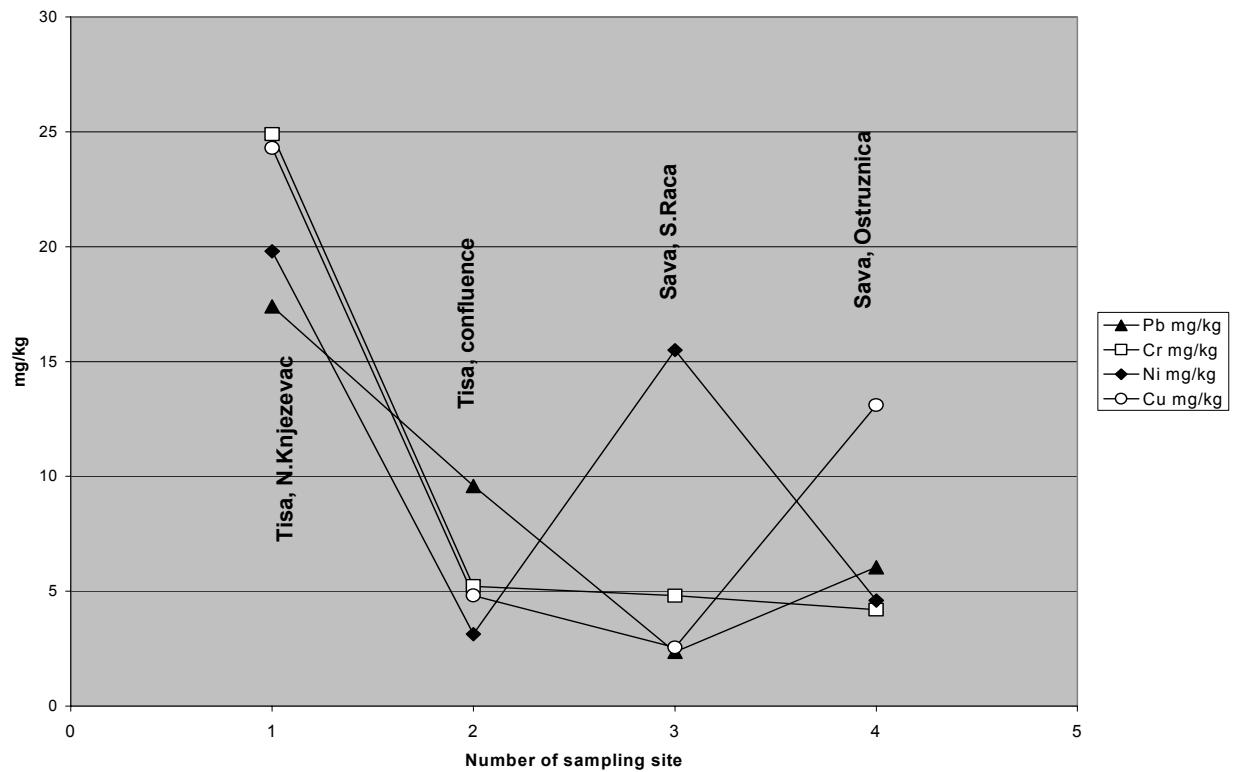

Figure A-3.15. Heavy metal content of *Unio tumidus* tissue collected in the Danubian tributaries

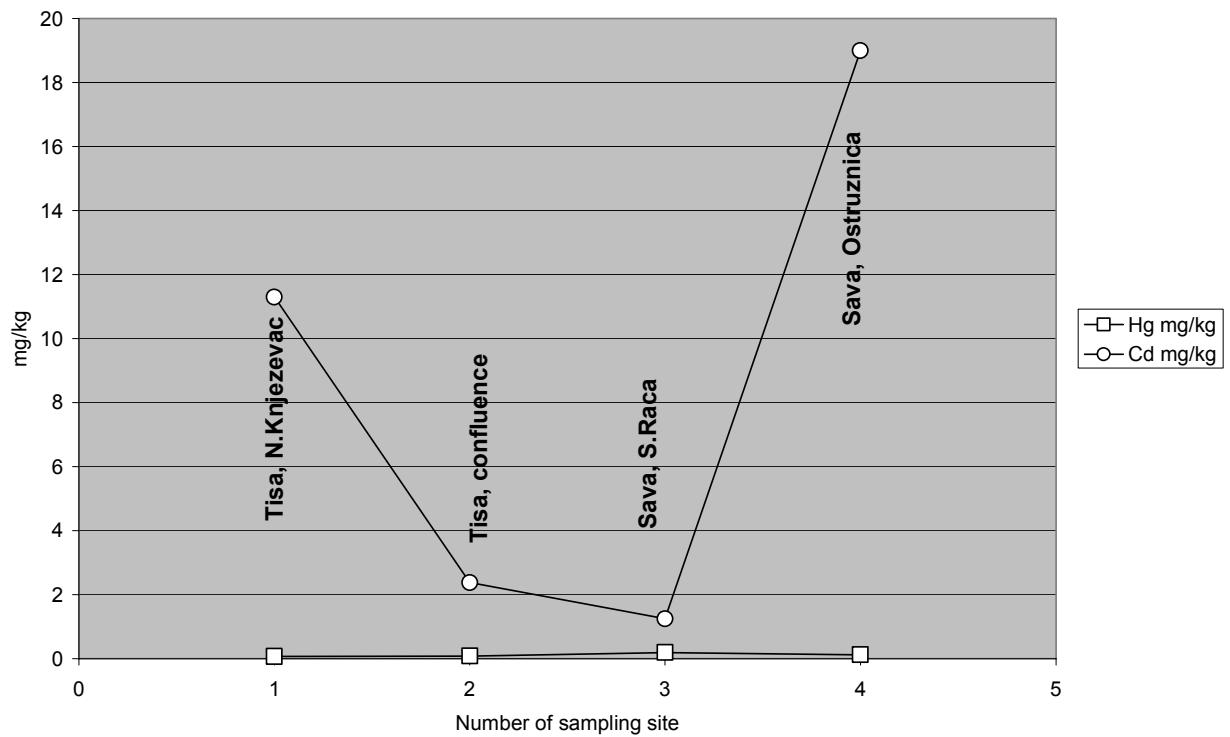

Figure A-3.16. Heavy metal content of *U.tumidus* tissue collected in the tributaries
